***Response to Amendment***

1. The reply filed on 22 June 2001 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendment is in the improper format. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The amendment fails to include both a clean and a marked up copy of the specification. The amendment to the specification should be separate from the amendment to the claims. The amendment remarks state that claims 1-3 have been replaced with new claims 4-9, however, no copy of claims 4-9 has been received.

A proper response should include:

- A clean copy of the new specification (no claims), as amended.
- A marked up copy of the specification showing any changes made from the original.

Deletions should be [bracketed], additions should be underlined.

- A clean copy of the claims, as amended.
- A marked of copy of the claims, showing any changes made from the original. Deletions should be [bracketed], additions should be underlined. If claims are to be canceled, directions stating such should be set forth (i.e. "cancel claims 1-3"). New claims need not be marked up.
